

Arkansas Tech University

Curriculum Map:

- Bachelor of Science Pre-licensure Nursing
- LPN to BSN Nursing

 Introduced
  Reinforced
  Demonstrated
  Mastered

Courses	Demonstrates clinical judgement, skills and abilities to the provision of safe, competent patient care.	Demonstrates culturally sensitive caregiving, communication, teaching, advocacy, and management of diverse patient populations and settings.	Utilizes research evidence and technology to improve the quality and safety of patient care.	Collaborates with interprofessional health care teams in the delivery of patient care.	Apply principles of professional nursing ethics in patient care and professional situations.
NUR 2023 Introduction to Professional Nursing (3 Credits)					
NUR 3103 Nursing Skills I (3 Credits)					
NUR 3204 Theories and Concepts in Nursing I (4 Credits)					
NUR 3213 Care of the Older Adult (3 Credits)					
NUR 3303 Health Assessment (3 Credits)					

NUR 3402 Pharmacology I (2 Credits)					
NUR 3404 Practicum in Nursing I - Nursing the Individual Client (4 Credits)					
NUR 3513 Nursing Skills II 3 Credits					
NUR 3606 Theories and Concepts in Nursing II (6 Credits)					
NUR 3805 Practicum in Nursing II - Nursing the Family (5 Credit)					
NUR 3802 Pharmacology II (2 Credits)					
NUR 4206 Theories and Concepts in Nursing III (6 Credits)					
NUR 4405 Practicum in Nursing III -- Nursing Clients in Crisis (5 Credits)					
NUR 4303					

Nursing Research (3 Credits)					
NUR 4606 Theories and Concepts in Nursing IV (6 Credits)	●	●	●	●	●
NUR 4804 Practicum in Nursing IV - Nursing in the Community (4 Credits)	●	●	●	●	●
NUR 4903 Synthesis of Clinical and Theoretical Nursing (3 Credits)	●	●	●	●	●

BSN EPSLOs Mapped to Standards, Competencies & ELAs

BSN End of Program Student Learning Outcomes (EPSLOs)	Standards & Competencies	Expected Level of Achievement (ELA)
<p>EPSLO #1 Demonstrates clinical judgment, skills, and abilities to the provision of safe competent patient care.</p>	<p>AACN Essentials Domain 2: Person-Centered Care Domain 5: Quality and Safety</p> <hr/> <p>QSEN Patient Centered Care Safety</p>	<p>1. Pre-licensure BSN and LPN to BSN cohorts will achieve 75% or higher on the standardized Comprehensive Predictor measure related to Safety (NUR 4903 Synthesis of Clinical & Theoretical Concepts). 2. 80% of pre-licensure and LPN to BSN students will achieve a ≥ 2 (meets expectations) on the Clinical Judgment measure within the Clinical Evaluation Tool (NUR 4903 Synthesis of Clinical & Theoretical Concepts). 3. 80% of RN to BSN students will achieve a score of ≥ 2 (meets expectations) on the reflective exemplars Patient-Centered Care and Patient Safety within the summative portfolio (NURN 4045 Professional Synthesis).</p>
<p>EPSLO #2 Demonstrate culturally sensitive caregiving, communication, teaching, advocacy, and management of diverse patient populations and settings.</p>	<p>AACN Essentials Domain 2: Patient-Centered Care Domain 3: Population Health</p> <hr/> <p>QSEN Patient-Centered Care Teamwork & Collaboration</p>	<p>1. Pre-licensure BSN and LPN to BSN cohorts will achieve 70% or higher on the standardized Comprehensive Predictor measure related to Patient-Centered Care (NUR 4903 Synthesis of Clinical & Theoretical Concepts). 2. 80% of Pre-licensure BSN and hybrid LPN to BSN students will achieve ≥ 2 (meets expectations) on the Communication measure within the Summative Clinical Evaluation Tool (NUR 4903 Synthesis of Clinical & Theoretical Concepts). 3. 80% of Pre-licensure BSN and LPN to BSN cohorts will score proficient or greater on the cultural/ethnic subscale within the Case Presentation (NUR 4405 Clinical Nursing III). 4. 80% of RN to BSN students will achieve a score of proficient or greater on the Application to Clinical Practice subscale within the Community Profile Inventory (NURN 4024 Population & Community Health). 5. 80% of RN to BSN students will score achieve $\geq 80\%$ on the cultural awareness post module exam (NURN 4024 Population & Community Health Nursing).</p>

BSN EPSLOs Mapped to Standards, Competencies & ELAs

<p>EPSLO #3 Utilizes research evidence and technology to improve the quality and safety of patient care.</p>	<p>AACN Essentials Domain 4: Scholarship for Nursing Practice Domain 8: Informatics and Healthcare Technologies</p>	<p>1. Pre-licensure BSN and LPN to BSN cohorts will achieve 70% or higher on the standardized Comprehensive Predictor measure related to Person-Centered Care and Informatics and Healthcare Technologies (NUR 4903 Synthesis of Clinical & Theoretical Concepts). 2. 80% of Pre-licensure BSN and LPN to BSN cohorts will score proficient or greater on the nursing implications section of the research poster rubric (NUR 4303 Nursing Research). 3. 80% of RN to BSN students will achieve a ≥ 2 (meets expectations) on the critical analysis and application to practice subscales within the Research Article assignment (NURN 4045 Professional Synthesis). 4. 80% of RN to BSN students will achieve a score of ≥ 2 (meets expectations) on the reflective exemplar Informatics within the summative portfolio (NURN 4045 Professional Synthesis).</p>
<p>QSEN Evidence-based Practice Quality Improvement Informatics</p>		
<p>EPSLO #4 Collaborates with interprofessional health care teams in the delivery of patient care.</p>	<p>AACN Essentials Domain 6: Interprofessional Partnerships Domain 7: Systems-Based Practice</p>	<p>1. Pre-licensure BSN and LPN to BSN graduating cohorts will achieve 70% or higher on the standardized Comprehensive Predictor measure related to Interprofessional Partnerships (NUR 4903 Synthesis of Clinical & Theoretical Concepts). 2. 80% of Pre-licensure BSN and hybrid LPN to BSN students will achieve a score of satisfactory on the Teamwork and Collaboration reflective exemplar within the management objectives (NUR 4804 Clinical Nursing IV). 3. 80% of RN to BSN students will achieve a score of ≥ 2 (meets expectations) on the reflective exemplar Teamwork and Collaboration within the summative portfolio (NURN 4045 Professional Synthesis).</p>
<p>QSEN Patient-centered Care Teamwork and Collaboration</p>		
<p>EPSLO #5 Apply principles of professional nursing ethics in patient care and professional situations</p>	<p>AACN Essentials Domain 9: Professionalism Domain 10: Personal, Professional, and Leadership Development</p>	<p>1. 80% of Pre-licensure BSN and LPN to BSN graduating cohorts will score ≥ 2 on the Professional Ethics subscale Summative Clinical Evaluation Tool (NUR 4903 Synthesis of Clinical & Theoretical Concepts).</p>

BSN EPSLOs Mapped to Standards, Competencies & ELAs

		2. Pre-licensure BSN and LPN to BSN graduating cohorts will achieve 70% or higher on the standardized Comprehensive Predictor measure related to Professional Identity (NUR 4903 Synthesis of Clinical & Theoretical Concepts).
	<p style="text-align: center;">QSEN</p> Patient-centered Care Teamwork and Collaboration Evidence-Based Practice Safety	3. 80% of Pre-licensure BSN and LPN to BSN graduating cohorts will achieve a score of ≥ 2 (meets expectations) on the Professional Identify reflective exemplar within the summative portfolio (NUR 4903 Synthesis of Clinical & Theoretical Concepts).
	<p style="text-align: center;">ANA Code of Ethics Provisions I-IX</p>	4. 80% of RN to BSN cohorts will achieve a score of ≥ 2 (meets expectations) on the Ethics and Professional Identify reflective exemplars within the summative portfolio (NURN 4045 Professional Synthesis).
