THE INTERNATIONAL SOCIOLOGY HONOR SOCIETY

The Behavioral Sciences Department at ATU is home to the state's Eta Chapter of AKD. National award winners for their service projects, they regularly collect and donate items to local nonprofit organizations. However, participation in those projects is voluntary. The primary goal of the chapter is to recognize academic excellence for students interested in sociology.

To qualify for membership, students must be enrolled in a program sociological in nature, be a junior, have a 3.3 GPA (3.0 in sociology courses), and have completed four courses in sociology.
