

PHOTO RELEASE

Dear Parent/Guardian:

During the course of Arkansas Tech University (ATU) Summer Band Camps, we may take photographs and video of rehearsals, concerts, and activities involving campers. These photos and videos may be used by ATU for publicity purposes only through our website, social media pages, or other promotional materials. This letter is to obtain your informed consent to the release of any such photos or videos that may contain a close up of your child. Such photos or videos could constitute an "education record" of your child under the Family Educational Rights and Privacy Act of 1974 (FERPA), which is intended to protect the privacy of individual students by placing restrictions on the disclosure of records directly related to a student. This is to inform you that you have the right (1) not to consent to the release of education records featuring your child; (2) to receive a copy of any such records released upon request; and (3) to revoke consent, in writing, by delivering it to the office that this disclosure was originally given, but understand that any such revocation shall not affect disclosures previously made by ATU prior to the receipt of any such written revocation.

I hereby grant permission to Arkansas Tech University Band Camps to use photographs and/or video taken during Summer Band Camps for publicity purposes only.
