Historical Headcounts for ATU since Inception

Pertinent Information about historical headcounts.

Arkansas Tech University was created in 1909 by an act of the Arkansas General Assembly as a four year high school.

ATU offered a high school diploma from 1910 through 1929.

In 1927 ATU became a junior college.

Beginning in 1948 ATU has offered baccalaureate degree programs.

Beginning in 1976 ATU has offered masters level degree programs.

On July 1, 2003 ATU merged with Arkansas Valley Technical Institute in Ozark. From this time onward, all headcounts will reflect enrollments on both Campuses.

Beginning in 2015 ATU has offered doctoral level degree programs.
