

Resolving Registration Errors Using Internet Native Banner (INB)

Closed Section and Co-requisites/ Prerequisite and Test Score ONLY

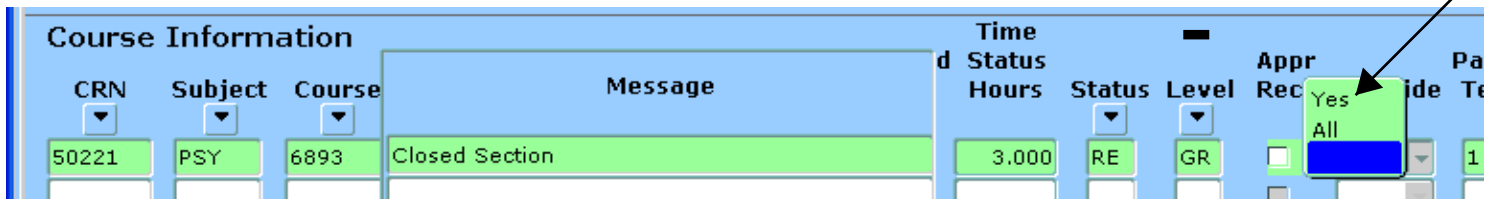

Overrides can only be approved by selected individuals; a list of people permitted to approve overrides is available from the Registrar's Office.

Error Message must pop up before you can override (it will appear once you try save the registration changes—F10).

CRN	Subject	Course	Message	Time d Status Hours	Status	Level	Appr Recd	Override	Pa
50221	PSY	6893	Closed Section	3.000	RE	GR	<input type="checkbox"/>	<input type="checkbox"/>	1

With the CRN of the closed class highlighted click the drop-down arrow located under “Override.”

The 'Override' dropdown menu is open, showing 'Yes' and 'All' options. An arrow points to the 'Yes' option.

Click “Yes” to override the closed class (you must obtain the appropriate approval before overriding!).

Do NOT click “All” as this will override ALL potential registration errors (Closed Section, Prerequisite/test-score, level restriction, time conflict, etc.)
