- Report:

- Email from Abby Davis:
  - Having more Thursday night games is a big conversation within the conference and the Tech community. We might do another Thursday night game next year but we cannot do a Thursday game for the big events that surround some of the games. Those events would be family day, homecoming, band member for a day and possibly the hall of fame game. Those events would not be as successful if they were held on a Thursday. I appreciate your interest in the success of games. You mentioned sufficient promotion, do students not know about Saturday games?
  - (push for organizational involvement) suggest to Abby Davis
- Start thinking about things to address next semester.
