2. ADHE Timeline for Approval of New Programs and LON Letters of Notification - Ms. Weaver explained proposals requiring ADHE approval will be considered at the next August meeting to ensure all committee approvals are received in time to meet the catalog deadline. August proposals approved by the Curriculum Committee would be submitted for approval to the September Faculty Senate and October Board of Trustees. After approval, the proposals would be sent to ADHE by their November 1 deadline. The ADHE Coordinating Board meets in January. The catalog goes live March 1.
3. Assessment - Dr. Austin explained the departments should start the curriculum change process with reviewing assessment outcomes. This information should be included in the curriculum proposal as rationale for the change requested. Any new program

proposals should come to Dr. Austin to enter into the HLC Review System to determine if substantive change paper is needed. Dr. Austin also explained that HLC considers a substantive change to have occurred when the curriculum has changed by 25% or more during the period between HLC reviews. Individual course changes, as well as program changes are cumulative. Dr. Austin is logging changes between major HLC reviews (4-6 years). Programs that reach 25% changes in that period may need to file substantive change paper work with HLC.

4. Curriculum Forms - Ms. Weaver indicated curriculum forms are available on the Curriculum web page at <https://www.atu.edu/standingcommittees/curriculum.php>. She emphasized that departments should contact her and Dr. Austin before starting the process.

Matt

Is it acceptable to have an email Curriculum Committee to approve two proposals? One is to delete the BA in Fine Arts. We will keep the BFA in Fine Arts. Academic Affairs asked that I get this through governance as quickly as I can. The other proposal is the English and World Language Department would like to cross list FR/GER/JPN/SPAN 4991-4 with a new subject of LANG Language.

Let me know and I will email the proposals to the committee for a vote. Thanks.
